## **BARBADOS CIVIL AVIATION DEPARTMENT (BCAD)**

### **BARBADOS MEDICAL EXAMINERS**

As you may be aware, the Barbados Government has passed a new Civil Aviation Act, together with a new set of Civil Aviation Regulations conforming to the revised international civil aviation standards. The Barbados Civil Aviation Department has also embarked upon a program of upgrading its licensing delivery system to the public. To this end, the format of licences issued to pilots and engineers has been modified. In addition, five (5) new medical practitioners have been appointed to the team of Barbados aviation medical examiners.

The appointment of the five new medical examiners will take effect from 1<sup>st</sup> January 2008 and their names are as follows:
