ENGINEER'S CERTIFICATION

Certified that all inspections and work necessary to ensure the continued operation of the equipment specified has been carried out, recorded and certified and that the equipment installed is fit for Issue/Renewal of a Radio Licence.

Due regard has been taken of the age, condition, utilisation and/or storage conditions; Compliance with the Approved Maintenance Schedule; Manufacturers' Service Bulletins or equivalent; Prescribed periods between Overhaul, Test or Calibration; Work previously certified in the relevant records; Mandatory Requirements and the applicable Legislation.

I also certify that the radio station designated overleaf has, in every respect, been found to perform satisfactorily in flight.
